1. On 8 and 9 December 1950, at 8 a.m. trucks [redacted] were observed leaving Glinow (N 53/2 53) and traveling southward. About 25 soldiers were counted on each truck. They wore red-bordered black epaulets, some of them with motor transport unit insignia. They were carrying field equipment. On both days the trucks returned to the quarters in Glinow-North at about 3 p.m. About 15 soldiers were observed in the yard of the installation being instructed with a gun. 25X1
 2. On 26 January 1951, at about 3:10 p.m., trucks [redacted] with trailers came from the direction of Werder (N 53/2 53) and entered the military installation at Glinow-South. The trucks were loaded with 40 to 50 tires each. Their drivers wore black-bordered, blue epaulets. * 25X1
- * Comment. The occupation of Glinow-South by an air force unit was reported previously [redacted] 25X1
- [redacted] An air force motor transport unit is believed to be stationed in Glinow. An air force radio installation is also located there.
